

# MasteringGENERAL CHEMISTRY

## Dear Student:

In this course you will be using MasteringChemistry, an online tutorial and homework system designed to help you succeed.

## What You Need:

- ✓ A valid email address
- ✓ A student access code (packaged with your text or available for purchase at [www.masteringchem.com](http://www.masteringchem.com)).
- ✓ The zip code for your school” 73034

In addition, your instructor will provide you with:

- ✓ A “Course ID”: MCDVONMINDEN12266

## Student Registration:

1. Go to [www.masteringchem.com](http://www.masteringchem.com) and select the textbook for your course.
2. If you have your access code, simply click **Register**. You may also “Buy Now” if you do not have a new student access code.
3. Select “**No, I am a New User**” and type in your **Access Code** in the fields provided (enter only one “word” per box).
4. Enter your School **Zip Code**, select your **Country** and click **Next**.
5. Enter your **Name** and **Email** and select **Your School**.
6. Create a personal **Login Name** and **Password**, answer the **Security Question** and click **Next**.

If successful, you will receive a **Confirmation Screen** with your registration information (this information will also be emailed to you).

## Enrolling in Your Course:

You will need to “enroll” in your Mastering course to be included in your instructor’s gradebook.

1. Go to [www.masteringchem.com](http://www.masteringchem.com) and select the textbook (**Brown/LeMay/Bursten/Murphy, Chemistry: The Central Science, 11e**) for your course.
2. Under “Established User,” enter the **login name and password** you created and click **Log In**.
3. When prompted, enter your **Course ID**. Your instructor *may* also provide you with a special “**Student ID**” for this course. Be sure to enter this information **EXACTLY** as your instructor has instructed.

Congratulations! You have completed registration and enrolled in your course. To access your course from now on, simply go to [www.masteringchem.com](http://www.masteringchem.com), select your textbook, and enter your login name and password.

## System Requirements & Technical Support:

To effectively use the resources on this website, you will need to check your browser settings and plug-ins:

- Log in to your [www.masteringchem.com](http://www.masteringchem.com) homepage and click the “Help” tab on the top menu.
- Visit <http://www.masteringhelp.com> and select MasteringChemistry for Frequently Asked Questions, minimum requirements, and other helpful student resources.
